Loss, Damage or Delay

Nova shall not be liable for loss, damage, or delay resulting from causes beyond its reasonable control, including but not limited to fire, strike, inclement weather, accidents, or delay in transportation. In the event of a delay, due to any such cause, the delivery date will be postponed.

Shortages

If the shipment is not delivered in accordance with the quantity of cartons and packages shown on the Bill of Lading and/or Freight Bill, do not accept it until such shortages are noted on both documents.

The merchandise is carefully packed and thoroughly inspected before shipment. The carrier upon acceptance of the shipment assumes responsibility for its safe delivery. Claims for loss or damage sustained in transit must therefore, be made upon the carrier as follows:

Concealed Loss or Damage

Concealed loss or damage means loss or damage that does not become apparent until the merchandise has been unpacked. The contents may be damaged in transit due to rough handling even though the carton may not show external damage. When damage is discovered upon unpacking, make a written request for inspection by the carrier's agent within 7 days of the delivery date. Visible Damage or Shortage

Any external evidence of damage or shortage must be noted on the freight bill or express receipts and signed by the carrier's agent. Failure to adequately describe such external evidence of damage or shortage may result in the carrier refusing to honor a damage claim. The carrier will supply the form required to file such a claim. **All cartons and packaging must be kept with the merchandise at the delivered location. Failure to do so constitutes acceptance and a waiver of any such claim.**

RETURNS

Nova will not accept the return of any merchandise without a Returned Material Authorization (RMA). Special order items may not be returned for credit.
