SPECIFICATIONS FOR COMMUNITY JEFFERSON COLLECTION

- Materials:** All wood shall be thoroughly air and kiln dried to a moisture content not exceeding 6% at the time of assembly. All exposed wood and veneer to be well sanded and free from wormholes, pits and shakes.
- Tops:** Top sizes to be dependant upon the particular size and shape of the table ordered. Top height from floor to be 29" standard (Juvenile height of 27" and children's height of 25" are also available). 3-ply balanced construction wood veneer tops are available. As well as high-pressure laminate top with matching wood grain pattern. Special laminates available at a slight up charge. Tops are 1 ³/₁₆" thick. Constructed with butt-jointed solid lumber bands, 1 ¹/₈" thick particle board core, and a gator-ply backing sheet.
- Edge Options:** Jefferson tables come with a ¹³/₁₆" wide by 1 ³/₁₆" thick external wood rim with a bullnose edge detail.
- Construction:** Tables are constructed using solid wood aprons and legs. Apron rails are ¹³/₁₆" and 1" wide with a ³/₁₆" radius on the bottom edge. The legs are 2 ³/₈" square at the top and tapered to 1 ⁵/₈" at the bottom. Legs are eased on all edges and are equipped with adjustable glides. Aprons are fastened to tops using 1 ¹/₂" wood screws. Legs are secured to a ¹/₄" x 5 x 5 steel plate using two ⁵/₁₆" x 3" bolts which thread into a ⁵/₁₆" x 2" barrel nut embedded in the leg. The steel plate then bolts into threaded metal inserts in the tabletop using five ⁵/₁₆" x 1" bolts. A black metal leg option is also available. These legs are 3" in diameter and include an adjustable glide. The metal legs also bolt to the table top.
- Finish:** Community's multi-step step finish process includes a high quality translucent stain and clear catalyzed varnish topcoat, which enhances and protects the natural characteristic beauty of the wood. The finish combines durability and consistency with the ease of being field repairable. Veneer tops are semi-open pore.
- Warranty:** Community warrants to the original purchaser that each table will be free from defects in workmanship given normal use for five years of single shift service. Tables used in restaurant applications are warranted for two years. Community will, at its option, repair any defective merchandise with the terms of the warranty. This warranty does not apply to damage resulting from accident, alteration or misuse.
